Måns Hultman new board member of Ikano S.A

Måns Hultman was recently appointed member of Ikano S.A. Supervisory Board, as of 1st December, 2014.

Måns Hultman, from Sweden, has more than 30 years of experience within the information technology industry.

He is one of the main people behind the successful Swedish company QlikTech (a software company in business intelligence), where he was CEO from 2000 to 2007, and chairman from 2004 to 2009.

Today Måns provides expertise to companies with unique technology and good growth potential.

“I’m pleased to welcome Måns as new board member”, says Peter Kamprad, Chairman of Ikano S.A. Supervisory Board. “I’m confident that his experience, entrepreneurial skills and substantial IT background will inspire us and help Ikano grow into the future.”

“I’m happy and honoured to join the Ikano S.A. Supervisory Board, says Måns Hultman. I’m impressed by the achievements of the Kamprad family and look forward to being a part of the development of Ikano.”

Måns currently holds several board positions primarily in the ICT (Information and Communication Technology) field, like StormGeo, Informilo, It’s learning, Digital Route and Netadmin.

Måns enjoys performing arts and is advisory board member of the Misnomer Dance Theatre, an innovative, award-winning company and a fast-paced mover-and-shaker in the arts world.

He is also engaged with non-profit organisations such as Circle of Blue, which works with the World Economic to raise awareness of water related issues globally.
